

Dear Families,

Earlier this week I sent some Music lessons for the PreK - 1st Graders. Today I have attached **Music lessons for 4th - 6th Graders**. With your help, all teachers are trying to keep the learning going. I hope you will also add music to the mix. If you cannot print out the pages at home, we will happily print them for you and have them for pickup at school. These sheets will be fun as they should be of interest to the students. There is a page for creating your own "Mix Tape" list and two little info sheets to read and some questions to answer about the article~!

Additionally, Mr. Merselis is at school on a regular basis. If you would like to go to school and pick up your child's instrument (recorders for 2nd and 3rd graders; baritone ukuleles for 4th - 6th graders), let me know and I will find out when he will be there. Your child should also know where their practice sheets are that have songs and note or chord charts. All ribbons that your child earns by learning each song will be given when we finally get back to school.

As I stated before, please feel free to contact me by text or email with any questions you may have, or just to say hello!

Here are the sheets:
